2024-06-24	14:58	CD-1 Rezoning: 5455 Balsam Street	Support	<p>As an immediate neighbour (same city block), I support this rezoning. We are in a housing crisis, and where better to increase density than a transit-rich, walkable neighbourhood.</p> <p>Separately, if you want the new tenants to walk and bike, you need to address the rampant cut-through car traffic (the city already has data on this) on 37th Avenue, between Larch and Arbutus/W. Blvd.</p>	Sungsu Ahn	Arbutus Ridge
