2024-07-24	15:49	CD-1 Rezoning: 800 Commercial Drive	Oppose	Building is much too large and out of scale for the surrounding area. The site itself is simply not big enough for a building that high and dense. Livability is a major factor that the current council and Mayor seem to forget when they consistently give carte Blanche to these type of structures. It seems to be a deliberate move on the part of the city for block busting one block after another.	Barbara May	Marpole	
2024-07-23	13:23	CD-1 Rezoning: 800 Commercial Drive	Oppose	<p>There have been zero changes in this proposal since the city ran its online Q&A session, so public input has been completely disregarded,</p> <p>The information on Shape Your City advises "93 social housing units," while the reality is 70% at full market rates.</p> <p>The precedents this development would set would impact the entire Grandview-Woodland neighbourhood.</p>	Brian Palmquist	Dunbar-Southlands
