2024-09-22	19:11	CD-1 Rezoning: 5630-5678 Heather Street	Support	I'm writing in support of this rezoning. With vacancy rates near zero, we need a lot more purpose-built rental housing, and the fact that this project includes 37 below-market rental apartments is great. The height and density appear appropriate, since the site is right off 41st and very close to the Oakridge Canada Line station.	Russil Wvong	Riley Park
