2024-09-24	16:29	Modernizing Home-Based Business Regulations	Support	<p>There are plenty of home based businesses that can operate without any disruption to residential neighbourhoods.</p> <p>I would like to see residents in Vancouver who supply services to individuals such as personal trainers, hairdressers etc, have the option to work from home. Every other industry has been able to work from home without any issue-why prevent others from making a living and reducing their operating costs. Please consider this as an option.</p>	Lisa Gervais	Mount Pleasant
