2024-11-02	22:28	CD-1 (843) Text Amendment: 888 West Broadway (Formerly 878-898 West Broadway)	Oppose	<p>I am emailing my fierce opposition of the amendment to the Zoning and Development Bylaw for 888 W. Broadway.</p> <p>The height of these buildings should not be allowed to be made higher than what the original rezoning has proposed. That proposal is tall enough and will already have an impact on the neighbourhood and community.</p> <p>This site is close to VGH and its helicopter landing pad, and high-rise buildings compromise the flight paths of emergency helicopters. Making the buildings even taller will compromise this even further.</p> <p>Thus, I am emailing my concern and absolute opposition to this rezoning proposal and urge and plead with this rezoning amendment not to go ahead.</p> <p>So, again, please do not allow this amendment and build the proposed site buildings even taller.</p> <p>Please stop destroying Vancouver neighborhoods.</p> <p>Please stop destroying Vancouver communities.</p> <p>Please stop destroying Vancouver.</p> <p>Also, please stop making it even harder and harder for people with disabilities to be able to remain in the Hospital Zone area for their healthcare and life support needs.</p> <p>Yours sincerely,</p> <p>Very concerned Fairview resident,</p> <p>Fiona O'Connell</p> 	Fiona OConnell	Fairview
