2024-11-12	06:38	CD-1 (845) Text Amendment: 728-796 Main Street and 205 Union Street	Oppose	This building holds a great deal of historical significance. It was a restaurant run by the Family of Jimi Hendrix which is important but it was also a part of Hogans alley, a black community which was displaced by the construction of the viaduct. The story of this community has been erased by redevelopment. saving this building and using it to tell the story of Hogans alley and the music that existed there would be a positive step towards educating people about what had once been a thriving community.
