2024-11-12	15:09	CD-1 Rezoning: 701 Kingsway	Oppose	<p>I'm very concerned by the proposed height of this building. 25 stories will block out light to many of the houses in this vicinity. The parking will be very difficult(there is not enough parking as it is.) The traffic congestion will affect everyone including children who live here. There are many single family houses here where safety for our kids is a major concern.</p> <p>I would probably be appeased by a building that was half of the proposed height. Regardless, it will change the nature of an otherwise quiet and peaceful neighbourhood.</p>	Maylynn Woo	Mount Pleasant
