2024-11-12	18:34	CD-1 Rezoning: 701 Kingsway	Oppose	i live on the street this building is proposed. I would share a very narrow alley with this monster proposal. I depend on access to the alley to park my car. I have happily lived here for over 20 years, and i am strongly opposed to the size of this building. 24 stories on a small corner that shares an alley with single family homes is absolutely ridiculous. There is no room in the local schools. There is no parking on any of the side streets. This is squishing a monster build on a tiny corner that will not only devalue my home, but cause me to to put my home up for sale and get the heck out like three of my neighbours have in the past 5 months since the signage went up.	kiki turoldo	Mount Pleasant
