No, I am not. My note is about item #6. My opposition to that project is false. It was posted Nov 11th. I was in Australia (for a month) and know nothing about it. It's the second time in 2 weeks that I have been falsely quoted. Council is being messed with.

Someone has brought to my attention that I am “opposed” to this project. Totally false!! It is the second fake and false opinion opposing projects by me in two weeks. You are being lied to.
