2024-11-13	00:00	CD-1 Rezoning: 2175 West 7th Avenue	Oppose	<p>In an increasingly busy neighbourhood, high-rise developments will greatly reduce our quality of life. More noise, crowding and traffic. To say nothing of the tremendous disruption from construction. I worked hard to afford my small south-facing apartment so I could see the sunny sky, not a pillar of concrete. I'm also looking at the larger long-term picture, not just a single tower.</p> <p>In short, there is absolutely ZERO benefit to me and my neighbours while we bear the burden of reduced living quality and ever increasing property taxes and cost of living.</p>	Peter Papamichael	Kitsilano	
2024-11-13	13:09	CD-1 Rezoning: 2175 West 7th Avenue	Oppose	<p>Terrible idea, this is mid block where there are elderly and children who live there. Construction will be a nightmare for the people who do live there, there is barely any space for parking as is. Where are these trucks for construction gonna go or be able to move around in the alley? It makes no sense and going through would cost residents (aka tax payers) a lot of disruption to their daily lives.</p>	Rose Wong	Kitsilano
