2024-11-24	09:06	Council Delegation of Authority to Approve the Form of Development	Oppose	TO: Elected Officials:-- I am opposed to removing the Form of Development from public view and into closed-door decision-making by non-elected civic employees. If approved, this change would be one more in a growing list of city documents and activities hidden behind a wall of secrecy, unavailable for scrutiny by the electorate. (You know – the ones whose rising taxes pay for all of this).	Kelly Talayco	Kensington-Cedar Cottage
