2024-12-10	13:56	Miscellaneous Amendments Concerning Various CD-1 By-laws and Schedule E of the Zoning and Development By-law	Oppose	<p>Re Broadway Plan Update</p> <p>Hello. Tomorrow, please cast your votes for the greater good of the City and its citizens and not for the benefit of developers and non-resident owners.</p> <p>I believe the proposed plan and update will not create lower prices for renters or owner occupiers, or create a more liveable and vibrant city. Instead, it will generate profit for the already wealthy, create an environment of towers that few would choose to live in and reduce the variety and richness of shops, restaurants etc in the area.</p> <p>Please be brave and look for a solution that provides density, places people actually want to live in and can afford and rents that will encourage local businesses to thrive and NOT COOKIE CUTTER TOWERS!</p>	Mike Woodbridge	Kitsilano
