2025-02-25	11:00	Rezoning: 8366-8380 Beatrice Street	Support	<p>I support this rezoning proposal. Vancouver urgently needs more housing. The ongoing shortage has made the city increasingly unaffordable, and we cannot afford to let opposition continue to stall progress. It's time to prioritize the needs of residents. More homes are essential.</p> <p>In addition to this comment, though, I would urge the exploration of additional transit options in the area to ensure that people living in this 4 story building have access to places they need to go without needing to have a car and parking space.</p>	Isabel Diavolitsis	Mount Pleasant
