2025-03-12	21:40	CD-1 Rezoning: 2111 Main Street	Oppose	This kind of space is what makes Vancouver unique and a thriving arts community. Supporting the arts and giving our neighbourhood a personality that will draw people in, encourage more resident and visitor spending will not simply be achieved by offer 5000 sq feet of space in an impersonal high-rise development. The current zoning and space offers not only arts spaces but a hub for community gathering and an event venue that our area desperately needs. It's not all about 'square footage'. It's about cultural heritage, innovation and novelty.	Visnja Milidragovic	Mount Pleasant
