2025-04-15	23:30	Jericho Lands Official Development Plan	Support	As a UBC student, I pay for our lack of housing every day in the form of long commutes, lost sleep, and worse ability to study, and I can assure you that thousands of students and recent grads are in the same boat as me. It is vital, for our dynamic city, that students and young professionals can be productive here, instead of being turned away to live somewhere else. A golden opportunity has been handed to us in the form of this transit-oriented Indigenous-led livable affordable development, and it would be foolish for us to turn it away.	Chris Ng	I do not live in Vancouver
