2025-04-16	23:46	CD-1 Rezoning: 2225 West 8th Avenue	Support	Delighted to see a project which proposes off-arterial ground floor retail in Kits. The hallmark of any thriving urban community is mixed uses, and bringing commercial space into the neighbourhood will enhance the vitality and sense of community. The proximity to Kits Community Centre, the Arbutus Greenway and the future Arbutus Station ensure that this will be a convenient, amenity-rich home for the future neighbours who will be moving into this building.
