2025-05-20	12:33	CD-1 Rezoning: 1364 West 11th Avenue	Support	Dear Mayor Sim and Council, I strongly support this proposal for much-needed rental housing, especially in this high-demand location and not directly on an arterial street. Renters deserve to have access to quiet streets in above-ground apartments; this is what makes the West End "Canada's best neighbourhood." This building will also be a benefit to people who need to have extended stays near VGH. It is near Skytrain and the 10th bike route so is all around a great location for access. I hope that Council will push for a more ambitious and faster implementation of greenways to facilitate a better commuting and living environment. Best regards, Owen Brady	Owen Brady	Hastings-Sunrise
