2025-06-17	00:37	CD-1 Rezoning: 1665-1685 West 11th Avenue	Support	Dear Mayor and Council, This site is within easy walking distance of Broadway, the 99 B-Line, the future Broadway subway, and multiple local bus routes. If there’s anywhere in the city that should support higher-density rental housing, it’s here. We talk a lot about transit-oriented development—this is it in action. The project provides needed housing in a location where residents won’t need to rely on cars. That’s better for affordability, accessibility, and climate. I fully support this. Eric	Eric Cachola

2025-06-17	08:52	CD-1 Rezoning: 1665-1685 West 11th Avenue	Support	Vancouver needs more housing - especially rental housing since more than half of the current population rents. I support the Broadway Plan and the proposal to deliver 190 new rental homes in this location, including, 38 below market homes. Hope to see this application proceed.	Dustin L		
2025-06-17	08:58	CD-1 Rezoning: 1665-1685 West 11th Avenue	Support	Makes sense to build more housing close to transit and jobs. With limited land and a growing population, we need to optimize use of existing land in desirable locations like Fairview. We need these units - not only because more people moving to Vancouver, but because young people are leaving home and seniors looking for downsizer options, which will create more demand for this kind of housing.
