2025-06-16	22:01	CD-1 Rezoning: 2267-2275 West 7th Avenue	Support	Dear Mayor and Council, My children had to move out of Vancouver due to housing costs. More below-market rentals would let the next generation stay in the city they grew up in.	Len Wong

2025-06-17	09:29	CD-1 Rezoning: 2267-2275 West 7th Avenue	Support	My wife and I are westside parents with deep roots in the neighbourhood. Our son is currently in university and living at home, while our daughter lives just a few blocks away from this site on West 4th Avenue. We understand how challenging it can be for young adults to find stable, well-located rental housing. A project like this offers exactly the kind of options that help families stay connected and support the next generation in finding their footing in the city. We fully support it.	Chris Ts
