2025-07-05	11:15	CD-1 Rezoning: 254 East 12th Avenue	Support	This is another great application under the Broadway Plan. This provides homes for many people and commercial space to help improve the neighbourhood. This is a great neighbourhood that is well-served by transit and many good amenities, and it would be good for more people to be able to live here.	Peter Dowdy	Renfrew-Collingwood	
2025-07-05	23:26	CD-1 Rezoning: 254 East 12th Avenue	Support	There are so many new projects proposed for this neighborhood: is going to be so lively and vibrant in the coming years! Great location, good design. I'm sure the future residents will love being able to live in Mt. Pleasant. Please approve.	Taylor Curran	Fairview
