2025-06-29	11:57	CD-1 Rezoning: 1527 Main Street	Oppose	<p>The density in the area is bonkers. The traffic lights don't account for the amount of cars, cyclists and pedestrians.</p> <p>Because the city will follow through will the proposal anyways, take this feedback. Make enough parking for cars underground. People who live in the area should not have to move their cars every few hours because of street pay parking and parking time limits. There are not enough amenities - stores, fish monger, butchers, deli, bakery, fresh food market *like kins or donalds, for example. If you are adding people make sure that the community can support everything in walking distance.</p>	Trish Wetmore	Mount Pleasant
