2025-06-27	12:05	CD-1 Rezoning: 414-420 West Pender Street	Oppose	I believe the building not only is a great asset to the community, but also holds a valuable owner and story behind it. This building can provide immense credibility and tourism to the country in the coming years. Demolishing or rezoning this building would provide us with only short-term development but steal our future glory of pride. This building should stand as it is and where it is. Demolishing or rezoning it would Not be an effective option.	Jupleen Kaur
