2025-09-18	17:52	CD-1 Rezoning: 2110 West 5th Avenue	Oppose	Rezoning under the Broadway plan should be suspended to allow reconsideration of the blanket policy to develop high rise rental product over lower density options. I also consider it unlikely that a two tower per block limit will be retained once blanket zoning is in place and I believe building another west end style high rise neighborhood will of course destroy Kitsilano and result in an unlivable community with a shortfall of amenities and government support services. It is an ill considered plan and I do not support it.	Keith Thompson	Kitsilano
