2026-01-02	18:46	CD-1 Rezoning: 1167-1193 Granville Street	Support	<p>Hello. I support this proposal 100% as it aligns with the philosophy and intentions of the city's Granville Street redevelopment initiatives to create a safe and engaging street for residents and visitors. As I live in the adjacent building on Howe Street, I am excited about this excellent addition to the neighbourhood because it will refresh the street, increase the number of needed hotel rooms and provide an interesting visual landmark. This project will help solidify Granville Street to redefine itself as a safe and desirable "Entertainment District". This is an amazing opportunity for Granville Street and the city's residents and it should not be missed. Respectfully yours,</p> <p>Jeff Drabik</p>	Jeff Drabik	Downtown

2026-01-12	11:34	CD-1 Rezoning: 1167-1193 Granville Street	Support	<p>Granville Street deteriorated dramatically with the installation of the homeless shelter at 1176 Granville St. Constant crime, vandalism, open drug use, public urination and deification are the consequences of the shelter. Cleaning up the street after the shelter finally closes, will take a lot of work. Approving this development is a step in the right direction.</p> <p>Samira Ahmed for Jutta Ahmed</p>	Jutta Ahmed	Downtown
