2026-01-20	09:26	CD-1 Rezoning: 2260-2266 West 2nd Avenue	Support	More high quality rental housing needed in areas like this adjacent to attractive public amenities. Kitsilano needs more rental housing to make it attractive to rent there.	Brendan Lancaster	I do not live in Vancouver

The development is well designed, bringing housing and employment space together in an attractive new build.	Josh Latta	Kitsilano	
2026-01-20	14:21	CD-1 Rezoning: 2260-2266 West 2nd Avenue	Support	I'm writing in support of the 320-360 W 2nd Avenue rezoning proposal. This development will bring new housing to a well-located area while improving the public realm and helping activate a quieter part of Mount Pleasant. Increased residential presence will support nearby small businesses and contribute to a safer, more vibrant neighbourhood. I encourage Council to support this application. 2026-01-20	14:50	CD-1 Rezoning: 2260-2266 West 2nd Avenue	Support	As someone who has grown up in Vancouver, I've seen how hard it has become for people to find rental homes close to where they work and spend their time. Adding more rental housing in central areas helps reduce long commutes and keeps communities accessible to a wider range of people. Introducing residential use here would also help bring more everyday activity to the area, benefiting nearby businesses and services. Overall, this project supports a healthier and more livable city.
