2026-01-22	19:34	CD-1 Rezoning: 1125 West 10th Avenue	Oppose	There is no parking provided for this building plan. Parking on West 10th is already a massive struggle as someone who lives on this block. With the new developments, no one is accounting for the increase of cars. Just because a subway is being put in, unfortunately it doesn't mean there are less cars.... There is also a massive increase in commercial space, we'd rather see more parking available to building residents than retail.	Samantha Lawson	Fairview
