I would have attended in person but will be out of the country. That being said prior to my retirement 3 years ago I was a physician working at VGH and BC Cancer. Over the course of the 35 years I worked I saw continued loss of highly skilled health care workers due to the lack of any affordable, family friendly housing in this area.</p> <p>This development will provide below market rentals for health care workers, 24 hour day care for shift workers and no loss of family time to commuting. (not to mention 4-500 less cars on the road for the morning and evening commutes.</p> <p>I strongly support this development to keep high quality healthcare workers where they are needed!</p>	Dianne Miller	Fairview
