2026-02-18	16:07	CD-1 (915) Text Amendment: 450-496 Prior Street, 550 Malkin Avenue and 1002 Station	Oppose	False Creek is not an appropriate site for towers. It should develop instead as human-scale urbanism complete with canals dug to connect Burrard Inlet with False Creek (i.e behind the Telus/Expo Dome). One can imagine people plying the canals in canoes and kayaks.	Lewis Villegas	Mount Pleasant	Attachment 1
