2026-02-17	14:41	CD-1 Rezoning: 2028-2038 Barclay Street	Support	<p>I am a lifelong Vancouverite, and am fully supportive of this application. I know that sometimes the loudest voices drown out the reasonable ones.</p> <p>This will be a valuable and prized addition to Vancouver's West End. In hindsight, we will wonder why anyone hesitated. We need additional hotel supply and this is an ideal location for it. Please approve! Nicely designed and addresses a real need in our city.</p>	Alda Maria

This area is full of natural beauty and is close to the businesses along Davie Street -- a desirable location for visitors. Please consider approving this project, thank you.</p>	Milly Liao

Please consider approving this new hotel, thank you!</p>	Cynthia Connell	Kitsilano

2026-02-17	19:03	CD-1 Rezoning: 2028-2038 Barclay Street	Support	<p>Mayor, Council and City Staff,</p> <p>I live on ██████████ Street in the West End and writing to express my full support for the rezoning application for 2028-2038 Barclay Street.</p> <p>I hope Council considers the many quiet supporters who don't typically write in. A new hotel at 2030 Barclay would be a major benefit to this neighbourhood – not to mention, a tower among towers in an already urban, high-rise neighbourhood. Looking forward to the new restaurant this will bring to the street.</p>	Sebastian Jasiorkowski		
2026-02-18	07:33	CD-1 Rezoning: 2028-2038 Barclay Street	Support	<p>The proposed rezoning of the West End to build a hotel at Barclay ignores the urgent need to protect livable, residential neighborhoods. The West End is already under intense development pressure, and replacing community-focused space with another hotel prioritizes tourism over residents. We need affordable housing, green space, and local-serving amenities — not more short-term commercial projects that erode the character and stability of our community. Please reject this rezoning and put residents first.</p>	Mahdokht Ghorbani	West End	
2026-02-18	11:11	CD-1 Rezoning: 2028-2038 Barclay Street	Support	<p>I would like to share my support for Marcon's rezoning application for 2028-2030 Barclay Street. I believe an increase in hotel supply is much needed given the extremely high hotel prices in Vancouver.</p> <p>Barclay Street is a vibrant location close to popular landmarks such as Stanley Park and English Bay beach which makes this site the perfect location for a hotel. The addition of a hotel will benefit local businesses in the West End greatly.</p> <p>Thank you</p>	Marissa Pascuzzi	Mount Pleasant
