2026-05-02	16:03	CD-1 Rezoning: 888-896 Cambie Street and 111-191 Smithe Street	Oppose	I couldn't find the zone change I'm commenting on, so I chose Cambie & Smithe. The following comment is for 14th & Yukon;  I oppose the zoning change from R3-2 District to CD-1 District at 426-428 West 14th Ave and 3015-3027 Yukon Street. The change would allow a building of an 18-storey highrise. This would cause congestion in a quiet area, and change the neighbourly kind of atmosphere here adversely.	Suzy Konigsberg	Mount Pleasant

2026-05-03	10:31	CD-1 Rezoning: 888-896 Cambie Street and 111-191 Smithe Street	Oppose	I oppose the application because the proposed 29-storey building is too tall for the location. The location at the corner of Cambie Street and Smithe Street is too crowded. The traffic in this area is congested most of the time. Therefore I oppose the application.	Chung-Tao Chu	Downtown
