2026-06-05	22:24	Vancouver ODP Amendment and CD-1 (285) Amendment: 940-950 West 41st Avenue (Jewish Community Centre)	Support	As someone who lives in Vancouver and who works in Vancouver in the Construction industry I want to express my support for this rezoning application. Given the state of immigration it's necessary to construct more buildings in order to maintain affordable housing costs for all the residents in this city. Given the state of the economy the project would create much-needed jobs and boost Vancouver's wealth. The property's owners deserve to be able to develop it if they want to. It is their right as owners and should not be encumbered. Thank you!	Jamie Wu	Downtown

I would also love to see some kind of retail component included, particularly to support small Jewish businesses and help anchor the centre of Vancouver's Jewish neighbourhood. It will be a very good addition to Vancouver.	Bernard Pinsky	Kerrisdale
