As someone who moved to Vancouver several years ago, finding community and connection with is important to me. The Jewish Community Centre plays a vital role in bringing people together and creating opportunities for Jewish residents of all ages to connect through culture, recreation, education, and community programming. As a member of the Jewish community, I see the immense value this renewed facility would bring. It represents an investment in ensuring that our community continues to have a welcoming and vibrant space to gather, celebrate, and build relationships for generations to come. I respectfully encourage Council to support this application and help ensure that the Jewish community continues to have a strong and thriving home in Vancouver. Thank you for your consideration. 2026-07-16	10:00	Vancouver ODP Amendment and CD-1 (285) Amendment: 940-950 West 41st Avenue (Jewish Community Centre)	Support	Mayor Sim and Members of Vancouver City Council, I am writing in support of the proposed redevelopment of the Jewish Community Centre. One of Vancouver’s greatest strengths is the diversity of communities that make up our city. Spaces like the Jewish Community Centre play an important role in preserving culture, creating opportunities for connection, and fostering a sense of belonging for residents. Even as someone outside of the Jewish community, I recognize the value that strong cultural institutions bring to Vancouver. They enrich our city, create opportunities for people to learn from one another, and contribute to the vibrant and inclusive community that so many residents value. Investing in modern community spaces ensures that organizations like the JCC can continue serving current and future generations. Supporting places where people can gather, celebrate their heritage, and build connections makes Vancouver a stronger and more welcoming city for everyone. I encourage Council to support this application.	Claire Lam	Mount Pleasant
