2026-07-23	15:06	Vancouver ODP Amendment and CD-1 Rezoning: 6525-6577 Oak Street	Support	I support this proposal because it delivers much-needed rental housing, including below-market homes, family-sized units, childcare spaces, and neighbourhood-serving retail in a transit-accessible location. This is a thoughtful project that will help meet the needs of our growing community while creating jobs and expanding access to essential services.	Brianne La Pierre	West Point Grey
