Given the state of immigration it's necessary to construct more buildings in order to maintain affordable housing costs for all the residents in this city. Given the state of the economy the project would create much-needed jobs and boost Vancouver's wealth. The property's owners deserve to be able to develop it if they want to. It is their right as owners and should not be encumbered. Thank you!	Jamie Wu	Downtown

Would prefer a higher percentage though. Suspect that might be possible with the new use. Also, would be good to make sure the medical accommodations are affordable to those with lower incomes. And, of course, add bike lanes on Broadway adjacent to this developer. Thanks!	Richard Campbell	Kitsilano
