2026-07-23	15:32	CD-1 (708) Text Amendment: 2538-2550 Birch Street and 1290-1298 West Broadway	Support	Vancouver is in need of non market housing and affordable hotels for medical travellers. We should be supporting the needs of health care workers through affordability, access and staffing. In addition, Vancouver is in need of more proactive development of infrastructure for children. Childcare services for residents should be encouraged within residential buildings.	Kaden Rideout	Fairview
