

IN-CAMERA COUNCIL MEETING

MAY 28, 2024

DECISION RELEASE

**2024 Budget Adjustment Related to Hemlock Looper Moth in Stanley Park
Mitigation and Park**

THAT Council approve the one-time 2024 operating budget increase of \$11.1 million for the Vancouver Board of Parks and Recreation to fund the next phase of immediate work required to mitigate safety risks from dead trees caused by the Hemlock Looper Moth within Stanley Park, to be funded from the general revenue stabilization reserve.
